December 14, 2009 – Englewood, New Jersey

Kosher Sports, Inc., a premier glatt kosher caterer at stadiums and arenas, will be serving an all-star menu from two field level concession stands (sections 118 and 146) at this year's most celebrated professional football games – the Pro Bowl and the Super Bowl.

Jonathan Katz, president of Kosher Sports, Inc., proudly stated that, "this is the first time there will be a glatt kosher food offering at the Pro Bowl or Super Bowl." Jonathan said, "we take great pride in providing the highest quality products to our fans and Abeles and Heymann allows us to do just that."
